Mission Statement:

Our goals at Flying High are to have fun, instill goal setting, team building and self-esteem, and encourage self-discipline and confidence in each and every child who walks through our doors. Based on this, how do you feel you can contribute to this environment?

At Flying High we firmly believe that a job/career can and *should* be more than just financially rewarding for the employee. What are you hoping to gain by becoming a part of our team?

Finally, this working environment, while energetic and fun, demands an employee with an extroverted personality who can make responsible decisions in a quick fashion. Those who demonstrate shy, quiet, or introverted personalities often times find this environment intimidating and overwhelming. Tell us why you think this would be a good fit for you.

Flying High's interview process is unpaid and may include some/all of the following:

- Phone interview
- Face-to-Face interview with Program Director
- Shadowing a class/event to be determined by hiring manager. Shadowing is not to exceed more than one hour unless requested by the applicant.

Applicant must complete online waiver before submitting application: <https://www.flyinghighgym.com/countryside/waiver>

We are not just another job. We are not looking for just another job applicant.

At Flying High Sports and Rec Center we believe in building strong relationships. However, despite best intentions, sometimes business relationships do not work out and that is why all employment at Flying High is presumed to be "at will." That is, the employer is free to discharge individuals "for good cause, or bad cause, or no cause at all," and the employee is equally free to quit, strike, or otherwise cease work.
