What to Wear

- Remember this is a “show.” We encourage your little star to dress to impress.
 - For Female Tumblers:
 - A “sturdy, yet adorable” hairdo is suggested.
 - Flyaway hair can detract from focus of performance.
 - If the “Back roll” is a new skill, buns or large ponytails make it harder!
 - Wear your cutest and best fitting leotard!
 - For Male Tumblers:
 - Solid colored shorts without buttons/zippers is best.
 - A Flying High T-Shirt or a solid colored T-shirt will look nicest.
 - For All Martial Artists:
 - Your martial art uniform

IMPORTANT: Please keep your Star with you until his/her group is called to the stretching area. Your athlete will enter the stretching area door located in the Cosmic Café.

Martial Art athletes will check-in upstairs in studios

They have been working so hard.
