

Summer 2021: Camp Themes

- **Week 1 (June 7th-11th): “Color Me Happy”**-Explore the dazzling world of color! Investigate how color works through science experiments, vivid works of art and colorful games. We’ll get messy and creative working with all the color of rainbows in many ways and spend the week showing off your favorite color combs!
- **Week 2 (June 14th- 18th): “Aloha”**- Bring your leis, grass skirts, Hawaiian shirts, and coconuts for our Hawaiian Luau dance, we are celebrating our summer Hawaiian style. Campers will participate in water and land games, learn water safety, make fun beach scene crafts, and learn water science.
- **Week 3 (June 21st-25th): “Desert Oasis”**-Cactuses, camels and sand galore! We will enjoy the beautiful colors of the desert (without the heat!). During this week campers will learn about special adaptations that help living things survive in these arid and hot ecosystems such as: How plants store water, how some animals stay cool in the hot temperatures, and how nocturnal animals save their energy during the day and become active at night.
- **Week 4 (June 28th-July 2nd): “Stars and Stripes”**- The white days of winter are over, but don’t let that get you feeling blue! This week we celebrate our great country with a Red White and Blue theme. So, pack your Uncle Sam hats, American Flag apparel and plenty of energy, because the only thing we want turning red is your face of exhaustion!
- **Week 5 (July 5th-9th): “Rainforest Adventure”** Everything seems bigger in the rainforest. Huge trees and exotic plants. Brightly colorful birds, tree frogs, and screeching monkeys. The rainforests have more species of plants and animals than anywhere else on earth. There’s nothing quite like the magic of the rainforest. Join us as we discover one of our planet’s most fascinating habitats, teeming with wildlife and incredible ecosystems!
- **Week 6 (July 12th-16th): “I Spy with my Little Eye”**-Playing *I Spy* game is an absolute blast! It’s the first game that most children learn to play and also an excellent way to help build memory skills and enhance visual discrimination. Join us as we discover other games that are based on this concept. Use your eagle eye to spot an item and become the spy by being the first to guess the object correctly. You don’t want to lose sight of this week!

- **Week 7 (July 19th-23th): “Splashtopia”**-Beat the Heat!! Get your swim suits ready for an action-packed week. Water Extravaganza week will be the best week because hydration is the highway to happiness. Be prepared to get wet!
- **Week 8 (July 26th-30th): “Dino World”**- Did you hear? A dinosaur fossil was found in our gym! What kind of dinosaur is it? How long ago did it live? We'll journey back 65 million years to learn about the time when dinosaurs roamed the earth and discover the lost world.
- **Week 9 (Aug 2nd-6th): “Sea, Sand and Sun”**- Enjoy the wonders of the beach and the ocean. We will escape to the tropics and explore the deep blue sea! Join us as we have fun in the sun while learning about sea animals, sea life and island life. Be prepared to play with sand, search for sea shells and play beach games.
- **Week 10 (Aug 9th-13th): “Young Environmentalist”**- Reduce, reuse, recycle are the three pillars of waste reduction. By helping to instill a sense of pride in being eco-friendly, kids can learn at a young age to actively protect our planet. Campers will have the opportunity to learn about and implementing various ways we can protect our environment while creating art projects out of recycled materials.
- **Week 11 (Aug 16th-20th): “Greatest Camp Theme Hits”**- Saying goodbye to summer vacation is hard, so let's make it just a little bit easier by enjoying a little of everything we did this summer. We'll take our most popular themed weeks, games and activities and relive them one last time this summer. Join the fun and helps us decided the theme of the day!
